

Willington Public Schools Smarter Balanced Testing (SBAC)

2015-2016 District Results and Goals

SBAC ELA Results

in percentage of students at/above level 3

Grade	2014-2015 (1st year of administration)	2015-2016 (Significant changes from previous year)
3	49	51
4	39	53
5	70	50
6	45	65
7	61	57
8	59	69

Comparisons between tests and cohorts should be made with caution as SBAC has changed significantly from 2014-2016. The number of students tested in each grade ranges from 34 to 53.

SBAC Math Results

in percentage of students at/above level 3

Grade	2014-2015 (1st year of administration)	2015-2016 (Significant changes from previous year)
3	61	53
4	47	42
5	45	32
6	23	51
7	46	43
8	59	64

Comparisons between tests and cohorts should be made with caution as SBAC has changed significantly from 2014-2016. The number of students tested in each grade ranges from 34 to 53.

Comparing Apples to Apples

ELA 2015-2016

	Grade 3	Grade 4	Grade 5	Grade 6	Grade 7	Grade 8
Willington	51	53	50	65	57	69
Ashford	--	71	78	53	59	58
Brooklyn	52	74	71	74	72	70
Lebanon	64	72	78	70	60	58
Woodstock	78	79	68	55	72	71
Coventry	58	76	70	73	80	76
DRG Avg.*	63	74	73	65	69	67
Mansfield	83	74	75	76	74	84

*DRG average only contains towns that are in the surrounding area that had enough scores reported for comparison. Willington is not included in the scores that were averaged. Mansfield is not in our DRG.

Comparing Apples to Apples

Math 2015-2016

	Grade 3	Grade 4	Grade 5	Grade 6	Grade 7	Grade 8
Willington	53	42	32	51	43	64
Ashford	67	67	41	25	43	--
Brooklyn	44	53	34	49	35	26
Lebanon	58	69	64	--	41	49

Comparing Apples to Apples

Science CMT 2015-2016 at/above goal

	Grade 5	Grade 8
Willington	72	76
Ashford	47	57
Brooklyn	55	78
Lebanon	84	65
Chaplin	57	--
Woodstock	81	88
Coventry	77	70
DRG Avg.*	67	72
Mansfield	84	86

*DRG average only contains towns that are in the surrounding area that had enough scores reported for comparison. Willington is not included in the scores that were averaged. Mansfield is not in our DRG.

District Priorities	Action Step(s)
Provide targeted instruction for students Provide targeted professional development for staff	<ul style="list-style-type: none">● Grade level data teams meet weekly to review student outcomes (work samples, assessments, etc) to develop flexible groupings with focused instruction based on individual student needs● Provide student opportunities to increase exposure to SBAC/CCSS type questions which emphasize process over product● Increased opportunities to integrate non-fiction reading into content areas● Continue curriculum writing that aligns to: standards, best instructional practices and common formative assessments
