

Willington Board of Education Goals

2019-2020

Student Growth and Success

The Willington Public Schools will foster intellectual risk-taking and increase achievement for all students through a rigorous, relevant and engaging curriculum.

School Culture and Climate

The Willington Public Schools will provide a welcoming environment that is socially, emotionally and physically safe, fosters meaningful collaborative relationships in an innovative culture, and embraces student diversity in an inclusive setting.

Sustainable and Strategic Investments for the School Facilities

The Willington Public Schools will develop a comprehensive long term plan for the efficient and effective use of the school building facilities.
